IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF ILLINOIS

UNITED STATES OF AMERICA,	)	Case No.: 18-cr-40043-JPG
Plaintiff,	)	
V.	)	NOTICE OF NON-COMPLIANCE
	)	AND FALSE RECORD
KURT F. JOHNSON,	)	
Defendant.	)	

Johnson as Executor for the estate KURT F. JOHNSON (defendant) received a copy of the ORDER REGARDING PRE-TRIAL DEISCOVERY on Monday the 30th of July, while being held as surety in the custody of Marion County Jail by and through the commercial dishonor of the settlement offer for discharge and closure of this account in accordance with Public Policy by REONA J. DALY in open court on 7-23-18.

Let it also be noted for reference for all public servants advancing this claim/account that Executor-Kurt-F.-Johnson's offer for full settlement and full discharge is a standing offer throughout these proceedings of dishonor and the Executor accepts all party dishonors as their waiver of sovereign immunity for violating public policy.

Because of this custody arrangement the Defendant found it impossible to comply with the above mentioned order. The County facility had a constitutionally deficient federal law library and writng materials could not be obtained until 8-3-18.

Custody was changed to CTU's (Counter Terrorism Unit) CMU facility on 8-1-18. Access was granted to the law library on 8-2-18. Discovery disc were supp-

lied on 8-2-18 also. Access to the disc reader is not available until 8-5-18. This is Executor's first opportunity to view discovery on behalf of the Defendant.

These custody conditions making compliance impossible is prejudicial to the Defendant and inequitable if the lost time is not restored by order of the court or properly considered in its discretion when untimely filings are received. If advocacy decisions are being made in the disguise of custody choices at the prejudice of Defendant this case will become substantially more complicated by multiple parties representing the Defendant by and through various expressed representative contracts ratified by performance and enforceable. Many with multiple conflicts of interest. Two emails have been attached as example of these potential developments. Mrs. Hill refused to supply an address necessary to the defense for the execution of 17(c) subpoenas. Based upon the scheduling order time is of the essence and the unnecessary delays of meaningless obstruction are very prejudicial. If Mrs. Hill is allowed to make advocacy decisions like this you can imagine the conflicts of her representation of the Defendant. The defense anticipates motions for Grand Jury transcripts and to dismiss the indictment for fraud and prosecutorial misconduct. All these intentions are precursors to the proper development of the trial. When manipulated by silly custody choices prejudice is extreme because advantage and disadvantage are doled out without equity.

#### **FALSE RECORD**

Document 6 (Minutes) falsely represents that defendant is Pro Se which is not factual or accurate. Defendant is and has represented to the court that it will knowingly and voluntarily be represented by Executor-Kurt-F.-Johnson of the Estate Defendant. To presume otherwise presumes facts not in evidence. The prosecution made no objection or rebuttal to this arrangement and their charging instrument is vague and ambiguous on its face. Soon to be the subject of a Bill of Particulars. If the Bill fails to clarify the parties and claims an identity hearing will become necessary. Until facts are before this court presumptions

should be avoided or recorded as facts.

Respectfully Submitted,

By: 

Executor-Kurt F.-Johnson for KURT F.  
JOHNSON, Defendant.

In this instance you cannot treat me like other inmates. I am indicted because of your false testimony and obstructive practices. Denying me communication with everyone and then refusing to provide needed discovery is using your office in a malicious fashion. It is a simple internet task that is no expense to you. Both Duetsche Bank and Abu Dhabi Commercial Bank are related to my defense and necessary in a timely pretrial schedule. If you think this is a problem contact the prosecutor and see what he recommends. Thank you.

Inmate Johnson, I can assure you that I will continue to treat you the same as I do all the other inmates. If it is something we do for the other inmates then we will still do it for you. But as you know, the only addresses we look up for inmates are government offices and buildings.

Since this is related to the criminal indictment should I bring it to the court's attention that you are uncooperative? let me know.

We do not look up bank addresses.

Can you please supply me with the headquarters address for Duetsche Bank in Germany? Thank you.

I am still without a copy of my indictment that was taken from me at R&D. I am being handcuffed from preparing for trial and pretrial in any timely fashion by your inability to locate it and deliver it to me.
